

October 26, 2022

IMPORTANT Update from Eden HOA Board

- Mainscape has completed the irrigation work necessary to ensure that our system is working adequately.
- Mainscape has completed the annual arecas palm trimming.
- **Mainscape will begin the Sod Replacement Project on Friday, October 28th.** Areas to be replaced will be marked and sprayed to kill the weeds. A second weed kill application will be on November 8th.
- **PLEASE BE PATIENT.** Sections of the lawn will be brown and look worse during this process. However, the new sod will be installed the week of **November 14th**.
- Palm trees are scheduled for trimming on **November 17th**.
- Mulch is scheduled for placement the week of **November 21st**.
- Pressure washing of driveways and sidewalks are planned for **early December**.
- Roof cleaning is being planned for late **April 2023**.
